

## Broca Brothers Literature

**Hey, good you're checking this out. It means you're serious about it. We are lucky enough to have access to great scientific research through Stuart's Psychology study.**

**Below you'll find a list of articles and books that we went through to find out the most effective ways of treating stuttering. If you're interested in reading some of the articles, just send us an email to [info@brocabrothers.com](mailto:info@brocabrothers.com) and we'll hook you up.**
